

CARROT CAKE — FIRST PLACE WINNER!

TRULY INDISTINGUISHABLE FROM THE “REAL” THING, THIS CARROT CAKE WON FIRST PLACE HONORS AT OUR CITY (POP. 30,000) CAKE BAKING COMPETITION IN 2005!

My wife won first place at the city cake baking contest with this cake (competing against all those “normal” wheat and gluten containing cakes)! A short time earlier, for its public debut, we took this cake to a party and didn't tell anyone that it was gluten-free until after they ate it and told us what they thought. By chance, a personal-chef was at the party, and she quickly commented how she would rate the cake “nearly a 10 out of 10. . .” — before knowing it was wheat-free! With experience like this, we can't help but feel confident stating that this cake is simply awesome.
